

## **Jason Harfield**

### **Chief Executive Officer**

Appointed Chief Executive Officer (CEO) in March 2016, Jason Harfield leads a geographically dispersed team of more than 3000 people and is responsible for the safety and efficiency of Australia's airspace.

Jason began his career as a Flight Data Officer in Adelaide in 1989, contributing his more than 30 years of knowledge and experience in aviation and the air traffic management industry to Airservices operational and strategic outcomes.

A member of the Airservices Executive Leadership Team since 2005 preceding his appointment as CEO, Jason held executive leadership roles including leading the safety and future services functions and the transformation of the air traffic services operations.

Prior to this, Jason held operational and senior management positions, including Australia's Head Air Traffic Controller and Australian Airspace Regulator.

Jason has an EMBA from Melbourne Business School (Mt Eliza) and has completed the Advanced Management Program at Harvard Business School. He is also a fellow of both the Australian Institute of Company Directors and Royal Aeronautical Society and is a qualified pilot.
